

## GETTING READY FOR WORK

### Young Men's Republican Club Gets Down to Business

#### Executive Committee Makes Arrangements For the City Campaign and Prepares a Constitution

The executive committee of the Young Men's Republican Club met last evening for consultation, and an enthusiastic meeting was the result. There was a good attendance, only two members of the committee being absent. The members of the executive committee present arranged for the appointment of assistants in their respective wards, and divided the wards into districts, to each of which an assistant will be assigned as the campaign progresses.

The next meeting of the club, it was decided, should be held at the police court room next Friday at 7:30 p. m., and a committee was appointed to arrange for that meeting, consisting of J. G. Graham, A. W. Prescott and L. R. Stinson was also named to secure the attendance at that time of the Republican nominees for mayor and aldermen, and another committee will secure a list of speakers.

The committee on constitution, previously appointed, read the draft of a constitution and by-laws, and, with slight amendments, this adopted, and will be reported to the club with recommendations that it be adopted. The age limit fixed in the constitution is 45 years, and it provides for a regular series of meetings of both the club and the executive committee.

Following the disposal of the routine business, several enthusiastic addresses were made by members of the club, and the best of goodfellowship prevailed.

Never Heard of a Sweat Box. Eighteen years a member of the Chicago police force and never heard of a "sweat box."

Such was the admission made by

Policeman Sullivan, of the Rawson-street station while testifying before a jury in Judge Gray's court yesterday afternoon. Attorney Benjamin Short, believing that the witness had not heard the question correctly, asked:

"Do you mean to say that you have been a member of the Chicago police force for 18 years?"

"Yes, that is correct," replied the policeman.

"And you do not know the meaning of a 'sweat box'?"

"I never heard of a 'sweat box,' and I wouldn't know one if I saw it."

Silence prevailed in the court room a full minute, while Attorney Short gazed at the witness. It became evident that the witness was not joking, and, as no one volunteered to explain the mysteries of the "sweat box," a lawyer, Morgan, was summoned as an expert, and enlightened the witness. The question as to the meaning of "sweat box" came up in the trial of William Kipp for assault.

How experts' opinions differ! "Football," says a Los Angeles divine, "is hell. It is unmanly, cowardly, malicious, and should be stopped by the police." A San Francisco preacher exclaims: "Football is a noble game, and every healthy lad should play it." Evidently the Frisco team must have beaten up the Los Angeles lads badly of late.

From across the sea comes the glad tidings that Emperor William is able to go a-shooting again. He is badly handicapped, however, by the temporary loss of speech, and consequent inability to express his feelings when he misses his aim.

#### Push Club Meets.

The regular meeting of the Greater Salem Commercial Club will be held in the city police court room Tuesday evening. Full attendance desired.

### To Say I Have Gained in Weight and Am Well After Years of Heart Trouble.

#### Dr. Miles' Heart Cure Cured Me.

"For three years I suffered much from heart trouble and at times I thought I would drop dead. There was a feeling of oppression about my heart, smothering and choking spells, and I could not sleep on my left side. At times I was so depressed that I could hardly walk. I began taking Dr. Miles' Nervine and Heart Cure and am happy to say that I no longer have that worn-out look. I have gained in weight and feel perfectly well. I will never be without your Nervine and Heart Cure. My son, now eighteen, suffered exceedingly from nervousness. I gave him Nervine with the best of results. His health has been good ever since. I gladly recommend your remedies."—MISS ANNA BROWN, 440 Lodge, Montana. A person who is suffering from heart disease is in just as much danger as the football player who ventures on this life at the first appearance of freezing weather. Heart disease is the most common cause of sudden death. Statistics show that one person in every four has a weak heart, that weak hearts are as common as a weakness of any other organ. When the heart is weak the pulse is irregular, the blood is thin and poor, the circulation sluggish, causing cold extremities. Dr. Miles' Heart Cure is a great heart and blood tonic, it regulates the heart's action, improves the circulation and sends a stream of pure, red blood through every vein and artery, renewing health and strength. All druggists sell and guarantee first-class Dr. Miles' Remedies. Send for free book on Nervous and Heart Diseases. Address Dr. Miles Medical Co., Elkhart, Ind.

## We do what We Claim

We kill and remove cancers and tumors without the aid of a knife.

Read the testimony of a prominent Salem man:

TO THE PUBLIC. In justice to Dr. Cook, and that the world may know what great work he is doing, I wish to inform them that I have been taking treatment from him for the past fifteen months and in that time he has removed from my alimentary canal three tumors of cancerous growths, as large as a man's hand, all from the larger intestine. Also another cancerous growth from off my right right foot and another from my right thumb. This has all been accomplished through medicines alone, they killing the growth and the spider like roots and nature itself casting them off, without the aid of knife or surgery. I do not believe I could have found equally successful treatment anywhere in the world and cheerfully recommend Dr. J. F. Cook, the Botanical Doctor, to all who read this testimonial.

R. J. Spencer. We can do as much for you or more if you need it.

J. F. COOK

Deutscher Botanical Doctor. Cures all Diseases. Salem, Liberty St.
